

Come volunteer at Barefoot Organics

Come play in the dirt!

Barefoot Organics at Greystone Farm is looking for a few good volunteers to help us with the 2013 season!

Volunteering is a wonderful way to contribute to your CSA experience. Volunteers are needed for weekly packing of the CSA boxes and for planting and maintaining the herb and flower garden. CSA members can work a portion of their share for a discount!

If you are not a CSA member, this is a great opportunity to learn more about farming and to help your local farmer feed our community.

Volunteers will be needed every day of the week, for various tasks, with Mondays and Tuesdays (in 2 or 4 hour shifts) of particular importance. You will help to set up the boxes, fill with fresh organic fruits and vegetables, then prepare and sort for delivery. Wednesday through Friday will also require 2 or 4 hour shifts involving general farm chores, including but not limited to weeding, watering, minor animal husbandry, etc.

Ready to sign up?

If you are interested in volunteering at Barefoot Organics, please contact our Volunteer Coordinator, Laurie Crawford at livegreen@gocrawford.com or call 717-413-9889. Farmer Phil and his staff are excited about sharing Greystone Farm with you.
